**Phone:** (916) 741-5474

**FOR IMMEDIATE RELEASE**

**Interstate 80 Construction Work Scheduled near Reed Avenue**

SACRAMENTO and YOLO – The California Department of Transportation (Caltrans) is alerting motorists that westbound Interstate 80 in West Sacramento is scheduled for roadwork tonight.

Motorists on westbound I-80 can expect lane restrictions as a contractor continues work to rehabilitate the highway surface. Roadwork is scheduled for **9 p.m. to 6 a.m. Friday, February 20** to replace concrete slabs. Westbound lanes on I-80 will be reduced from three to two lanes near the Reed Avenue Overcrossing and will also require the closure of the westbound Reed Avenue exit ramp. Caltrans advises motorists to plan ahead for expected increased travel time or to use an alternate route.

Weather or other unexpected events may prolong the work or cause construction activities to be rescheduled. Caltrans will continue to update the public on changing conditions through social media. Motorists are reminded to “Be Work Zone Alert” and “Slow for the Cone Zone.”
